

Alice B. Beal Elementary School

Hi, Beal Students and Families!

The schedule below will help you with your daily work. Have fun learning!

Remote Learning Lessons for Grade:

Week of:

English Language Arts

Tasks:	Monday	Tuesday	Wednesday	Thursday	Friday
Reading					
Word Work					
Writing					

Students who have access to i-Ready should complete at least 45 minutes and pass 1 lesson.

Math

Tasks:	Monday	Tuesday	Wednesday	Thursday	Friday
--------	--------	---------	-----------	----------	--------

Directions for Daily Math: Make sure to post some of your work on your Class Dojo. We would love to see it!

You will want to make your own clock before you do your daily math. There is a printable worksheet attached.

Must Do's

Prodigy

Tell and write time in hours and half hours using analogue and digital clocks

I.Ready Comprehension Check

Tell Time- Half Hour and Top of The Hour

Important: Assignments completed on Kahn Academy, Brainpopjr, Prodigy, X-tra Math, and I.Ready can be viewed online by the classroom teacher and does not need to be submitted for a teacher to view. Daily Math problems that are completed by a student can be posted on your Class Dojo. Worksheets assigned would also need to be posted on Dojo or sent to your teachers email.

IF YOU DO NOT OWN A PRINTER, THE WORK CAN BE DONE ON

Daily Math

Use the following words to complete the sentences: short hand, long hand, face, digital clock

The ___ on the clock is the hour hand. The ___ on the clock is the minute hand. An analogue clock has a ___ with numbers on it. A _____ shows digits that tell us what time it is.

MAKE YOUR OWN CLOCK (Print the worksheet or make your own)
