

Let's keep up writing in a journal during this time. Try to write a little something each day. You can describe what you did, what you ate, what made you smile and how you are feeling.

Should you want to share this with us, you can send it through Padlet. [Journal](#)

**This week you will be completing iReady Mastery Test in both ELA and MATH instead of your 45 minutes. Do your best and show us how SMART you are!**
